### President's Corner

Greetings! We hope that you and your family are doing well! It is hard to believe that we are entering our second year of dealing with COVID-19. While it has definitely been a struggle at times, your Lake Placid Art League has made it through the challenges associated with the pandemic. We would like to express a sincere "Thank You" for your support during these difficult times.

During the course of the pandemic, we have been fortunate to have a core group of carvers and painters who have helped sustained us through these difficult times. We hope to expand upon this group this season. Virtually all of the carvers and painters in attendance are fully vaccinated and we have the space to practice social distancing.

Obviously, there is still some uncertainty surrounding to what extent the virus will impact our plans over the coming months. However, we are planning, with a degree caution, to return to a more normal environment over the next few months:

- Painting sessions will continue on Tuesday mornings (9AM-noon)
- Carving sessions will continue on Tues. (Noon-2:30 PM) and Thurs. (8:30 AM-2:30 PM)
- We are working to schedule special instructional classes for both painting and carving, as instructors become available. We currently have a painting class scheduled for October 29<sup>th</sup> and in November. (See details below)
- A combined Painting and Carving Show is tentatively being scheduled for March 2022-----More details to follow.
- Consideration is being given to hosting a General Membership Meeting in the Spring, assuming local conditions are favorable.

Thanks again for your support during these troubling times. And, don't forget that 2022 Member Dues are payable in January. Single annual membership \$30 and family membership \$40.

## Art League mourns loss of Three Members

**Charlotte Howze**, longtime LP Art League member from Erwin, TN has passed away at the age of 91. She was Bill and Marlene Snyder's aunt and the widow of John Howze, woodcarver who had provided the art league with wood for the carvers over the years. John had put Bill in touch with Danny Davis a sawyer who prepared the wood from logs for our carvers. Bill would make trips to TN to obtain wood & both Jon Anderson & Al Hyman accompanied him at different times to bring the wood back. In their visits they toured the saw mill and had meals with the family/friends at the Maple Grove Inn.

Charlotte loved getting our newsletter and spoke often about our art league and its function in the community. She followed the news of our meetings, our annual show and other activities. She will be missed by family and friends as John has been for many years. A donation has been made to the Art League on her behalf and in her honor. - Marlene & Bill Snyder.
